Charles O. Murphy spoke on the society's record since its organization in 1899, when it had only a few members. He said that the society had grown to a large number of members in this section and that the Father Mathew society must be loyal to the church, live up to it and there will be no of our society or ourselves as in the past.

Address by Rev. W. A. Keefe.  
Rev. William A. Keefe, curate of St. Mary's church, was the next speaker. Father Keefe stated that it was with sincere regret that the Father Mathew society had been organized on a previous engagement out of town. Father Keefe congratulated the society and also brought congratulations from the St. Cecilia's society.

Success should be your inspiration. You should always look ahead to overcome the difficulties which may come. This society has been through them and has lived through them. In order to maintain its position it should stand by the head and be loyal to the head of government. As a church society, which you are, you should be loyal to the church, live up to it and there will be no of our society or ourselves as in the past.

Other speakers who followed were David T. Campbell on Athletics, Michael J. Connelly on Amusements, Michael J. Carroll on Temperance and Patrick Barry on Past Total Abstinence. Professor John rendered a violin solo.

**History of Father Mathew Society.**  
The Father Mathew T. A. Society owes its origin to the zeal of the Rev. James J. Smith, pastor of St. Mary's church, who at an early date had a long-cherished plan for a total abstinence society in Greenville was constituted in 1899, when it had only a few members. An organization was formed in the basement of St. Mary's church with a membership of twenty members, many of whom still have their names on the society's roll. A constitution was formed and adopted on April 15. The society's first step towards success was the fight against intemperance, was in electing Charles O. Murphy president. To his constant attention to the welfare of its members, his solicitude for the propagation and extension of the cause, and his practical and impartial administration of the society may be ascribed the successful development of the organization.

**Prosperity and Growth.**  
During the first two months of its existence the meetings of the society were held in the basement of St. Mary's church. In the meantime a committee was hard at work looking for suitable rooms to meet the demands of a flourishing society. On May 23 the society moved into the rooms in the Palmer block on the corner of North Main and Sixth streets. In September, 1908, the society took possession of their present comfortable rooms in the Carpenter building, which have proved to be an excellent home.

**Achievements.**  
The society has not failed to maintain the record of the Greenville people for superiority in matters of providence.

**Funeral of Joseph Lannon.**  
The funeral of Joseph T. Lannon took place from the home of his sister, Mrs. John Donovan, on Hickory street, on Wednesday morning at 8:30 o'clock and was largely attended. At 9 o'clock the remains were conveyed to St. Mary's church, where a requiem high mass was celebrated. Rev. G. A. Keefe was the celebrant. During the mass the choir sang and solos were sung by Mrs. M. L. Slaney. There were many floral forms. The bearers were Dr. P. P. Hennessey, Edward T. Burke, John M. Lee and John Donovan. ## Humane Institutions Committee Here

Will inspect the Norwich State Hospital Today Accompanied by Trustees and Representatives—Entertained at Wauregan and Arcanum Club.

The humane institutions committee of the general assembly is in town for the purpose of inspecting the Norwich state hospital this morning. There are before this committee the appropriation bills for the institution and one for the change of name of the institution from the Norwich hospital for the insane to the Norwich state hospital.

On Wednesday evening the committee entertained at dinner at the Wauregan house at 7:30 those present from the committee being Senator Higgins of South Coventry, Senator Wilcox of Wallingford, Mr. Wilcox of Stamford, Pease of Fairfield, Dickinson of Haddam, Brewster of Ledyard, Mr. Hunt of South Coventry, a friend of Dr. Higgins. Others present were Mayor Costello Lippitt, E. H. Gallup, Dr. E. Stark, Dr. E. B. Wilcox, Dr. Williams of the hospital trustees; Supt. Dr. H. M. Pollock, Senator Allen of Ledyard, and Representatives Wilcox of Norwich, Thurston and Shedd of Preston. Following dinner the party was entertained in the parlor with charming musical numbers by Marie Stank, while Miss Pratt was heard in vocal numbers. There was an informal talk among the members on

the matters of moment, and later they adjourned to the Arcanum club, where a social time was enjoyed.

This morning the party will go to the hospital on a special Norwich and Western car, leaving here at 9 o'clock. They will inspect the hospital, taking in the cow shed and colony buildings first, and from there will go around by the track to the high water mark, where they will take the elevator and cross the bridge to the hospital grounds and so through several buildings to the main building, the direction of Supt. Pollock. They will have lunch at his home at noon.

The committee meets to consider the necessity for the appropriations for the hospital as asked for, having made a similar visit here two years ago, when the appropriation matters came up. After this committee acts upon the appropriations and other bills, the appropriations go to the appropriations committee. The local representatives will accompany the committee on their trip of inspection today.

William A. Keefe, chairman of the committee, will be explained, that they can better understand why the appropriations are asked for.

**THAMESVILLE HOUSE ENTERED BY BURGLARS.**  
William C. Young loses Watch, Pocketbook and \$3 in Money Last Friday Night.

Burglars were at work at Thamesville last Friday night and as the result William C. Young of No. 123 Thames street is minus a watch, pocketbook and about \$3 in money. Some time during the evening entrance was gained to the house by a rear window which it is thought was not locked. Mr. Young was at home but was asleep, and the intruders did not awaken him until he was awakened by the articles from his bedroom and disappearing. The rest of the family was away at the time.

The police have been informed of the affair and are at work on the case. Inasmuch as only articles of no great value were taken it is not thought that the intruders were professionals. Nothing was known of the burglary until the articles were missed.

**SUPREME COURT SESSION ENDED WEDNESDAY NOON.**  
Two Cases Were Heard During the Morning—Interest in Burns Case.

The business of the April session of the supreme court of errors was completed in this city on Wednesday and court adjourned without date a few minutes after 12 o'clock.

The first matter Wednesday morning was the case of Orrin R. Steadman, admn. vs. Addie Burns. Steadman was the plaintiff in the superior court. This is a Stinson case and is claimed that Mrs. Steadman was thrown out of a team because the horse became frightened at a stone which a driver for Mr. O'Neill had left by the roadside. The case was argued by the plaintiff by Attorney Deming and Freeman.

The next and last case was that of the state vs. Addie Burns, defendants appeal, he having been found guilty of statutory rape at the January term of the superior court and sentenced to imprisonment for 20 years in state prison, costs being taxed at \$192.31. The arguments were made by Attorneys Hill and Sullivan for the state and by Attorney Deming for the defendant. The court rendered its decision in the case and the sentence was affirmed and that it is too severe.

**Assisting Town Clerk.**  
According to his usual custom, Tyler D. Guy is assisting Town Clerk Holcomb this week because of the rush for dog tags. There has been less than usual number of registrations, registered thus far and there are now but three days left.

ees and unified efforts. It established a manifest proof of this on the occasion of the New London county flag, when it received the first prize, flag, offered for the nearest appearing army in line. From that time the Father Mathew T. A. society has kept to the front among the many organizations of St. Mary's parish until now it is regarded as the first society of the parish and one of the most popular and prosperous in the city. One cause of the society's success is the harmonious relations which have always existed between the board of government and the body. It has not only endeavored to elevate the moral standing of the community by its uncompromising warfare against the evils of intemperance, but it has also endeavored to improve among the people of St. Mary's parish a sociability at once congenial and respectable. To the success of the society more than to his kindly pastor and founder, who has never been found wanting in co-operating with the enterprise, giving at any time good advice and counsel and consulting at all times its welfare, influence and success.

The society today prides itself on a membership considerably above the century mark. The officers are: Charles O. Murphy, president; Joseph A. Donnelly, vice president; Charles O. Murphy, recording secretary; Daniel F. Cummings, financial secretary; James M. Murphy, treasurer; Michael J. Bellefleur, sergeant at arms; Philip Glendon, director; Joseph J. Donovan, chairman; Simon Palmer, James A. McNeerney, John J. Shea, Lawrence Nolan, Thomas J. McCarthy, secretary editor, David T. Campbell.

The banquet committee was: Charles O. Murphy, chairman; Joseph E. O'Neil, Evan, secretary; Patrick Barry, Felix B. McMahon, James F. Donnelly.

## NIP IT IN THE BUD.

First Appearance of Dandruff a Forerunner of Future Baldness.

That such is the case has been conclusively proven by scientific research. Prof. Unna, the noted European skin specialist, declares that dandruff is the burrowed-up outside of the scalp, caused by parasites destroying the vitality in the hair bulb. The hair becomes lifeless, and, in time, falls out. This can be prevented.

Newbro's Herpicide kills this dandruff germ, and restores the hair to its natural softness and abundance.

Herpicide is now used by thousands of people—all satisfied that it is the most wonderful hair preparation on the market to-day.

Sold by leading druggists. Send 10c in stamps for free trial of The Herpicide Co., Detroit, Mich.
